ASCE HOUSTON BRANCH 2016/2017 SCHOLARSHIP APPLICATION

The American Society of Civil Engineers Houston Branch Scholarship is funded solely from the ASCE Houston Branch Student Fund and is awarded annually to one or more outstanding students enrolled in a Civil Engineering Degree plan at one of the three core colleges.

The scholarship(s) will be awarded on the basis of overall merit, in recognition of personal student achievements, and with regard to financial need. The number and value of each scholarship will be determined upon receipt of the scholarship applications. Past awards have ranged from \$500 to \$3,000. The scholarship will be awarded on May 17, 2016, at the ASCE Houston Branch Meeting.

Who is Eligible?

The candidate must meet all of the following qualifications to be considered:

1. At the time of application, the candidate must be from one of the following categories:
 - College Sophomore
 - College Junior, or
 - Non-Graduating College Senior
 - Graduating Senior returning for Graduate Studies.
 - Non-Graduating, Graduate Student
2. The candidate must be a full time student in the 2015-2016 academic year.
3. The candidate must sign a statement that they will be enrolled for a minimum of one semester during the 2016-2017 academic year, and indicate their expected graduation date.
4. The candidate must be a current member in good standing of the ASCE student chapter.
5. The candidate must be available for a possible interview.
6. The student must be enrolled in one or more of the following ASCE Houston Branch core colleges: Prairie View A&M University, Rice University, and University of Houston.
7. The recipient(s) may be asked to meet with the ASCE Houston Branch Board in the Fall Semester and explain how the money was used.

How do you apply?

1. In order to be eligible for consideration, the application must be received no later than **5:00 pm** on **April 15th, 2016**.
2. In addition to the attached application form, the candidate should submit the following:
 - a. Most recent university transcript
