

Biography:

Michael Moore is the Regional Vice President for External Affairs for Texas Central Partners, LLC. Michael leads the Houston region's outreach all the Bullet Train project, including government relations and communications activities.

Texas Central is developing a new high-speed train that will connect Houston, the Brazos Valley and North Texas, using proven, world-class technology. The 90-minute trip will provide a safe, reliable and productive transportation alternative. The company's market-led approach is backed by investors, not government grants, a new business model for infrastructure advances. Texas Central and its affiliated entities will be responsible for the system's design, finance, construction, operation and maintenance.
