Paula Paciorek

Bio

*Water Resources Manager, Galveston Bay Foundation*

Paula joined Galveston Bay Foundation in 2015. Paula works through the Texas Living Waters Project to increase public awareness of the importance of freshwater inflows to the health of Galveston Bay. Paula has experience in water management and policy, program development, stakeholder engagement and outreach. She received a B.S. in Psychology and a M.S. in Applied Geography with concentration in water resources management from the University of Louisville in 2010 and 2014, respectively.
