

PANELIST INFORMATION

Sirisha Pillalamarri

Principal Owner at Transcend Engineers & Planners

Sirisha Pillalamarri, is an industry leader who led statewide and regional complex planning projects to recommend innovative solutions and provided her unique technical expertise as an engineer and planner. She is a subject matter expert in traffic forecasting, modeling, corridor planning and traffic mobility studies.

Sirisha is co-owner of Transcend Engineers & Planners and is the vision behind Transcend's multidisciplinary growth and is passionate about road safety. She started as a chapter leader with Houston chapter of WTS in 2014 and served in several committee roles before joining the board as Director of Programs, Vice-President and now currently serving as the President.

She has mentored and guided several young engineers to choose the right career path, conflict resolution and encouraged higher graduate studies to achieve their goals. She is active in her community in Fort Bend County and served on local boards for regional development.

After completing her bachelor's degree in civil engineering in Hyderabad, India, she graduated with Masters in Transportation Engineering from North Carolina State University in 2002. She lived in four states and worked for agencies in more than ten states. She lives in the Katy area with her husband and two teenage boys.
