

Mr. Kanwar brings 20 years of experience in the Civil Engineering field, serving as Public Works Administrator for McKenzie County, North Dakota, Public Works Director and County Engineer for Lyon County, Minnesota, before that, he was with consultant companies in the private sector.

Suhail is a licensed Professional Engineer in North Dakota and Minnesota. He graduated with a Bachelor of Science in Civil Engineering from the University of Engineering and Technology in Lahore, Pakistan, and a Master of Science in Civil and Environmental Engineering from Ohio State University. He looks forward to serving the residents of Houston and making Houston home for he and his family. His wife, Mehwish, is a Chemical Engineer currently in Baltimore and is very excited about finding a position in the Houston area and having the family experience this new journey together in the same state.
