

International
**WOMEN IN
ENGINEERING DAY**

2026 Sponsorship Package

Dear Potential Sponsor,

We are pleased to host the 3rd Annual International Women in Engineering Day (INWED) Dinner and Networking Event as a unique and exciting opportunity to celebrate and empower women in the engineering field. As an organization committed to fostering diversity, innovation, and education, INWED connects industry leaders, advocates, and aspiring engineers to inspire change, promote networking, and facilitate mentorship for the next generation of women in engineering.

The 2026 International Women in Engineering event will take place on **Tuesday, June 23, 2026**, from **5:30 PM to 8:30 PM** at the **Hilton Houston Westchase**.

We invite you to join us as a sponsor for this impactful event where we bring together influential engineers, executives, and thought leaders to foster an inclusive and empowering environment. Your sponsorship will not only support the success of the event, but will also highlight your company's commitment to advancing an inclusive culture for women in engineering and allow you to gain exposure among a diverse group of attendees.

In addition to covering event costs, the sponsorships for this event help us to provide greater support for student participation by subsidizing ticket costs and expanding the scholarships we offer to women pursuing engineering careers. Sponsorship details are on the following pages but additional details can also be found on our event page at [ASCE Houston - INWED Dinner](#).

In addition to the packages laid out on the following pages, we also offer the flexibility to create a custom sponsorship package tailored specifically to your goals, target audience, and budget. Let's collaborate to build a sponsorship that's perfectly aligned with your objectives and vision!

We look forward to adding your company to the list of sponsors for the 2026 International Women in Engineering Day event! Our members truly appreciate your participation.

To confirm your sponsorship, please visit: [INWED 2026 Registration and Sponsorship Page](#) where you can select and pay for your desired sponsorship level!*

If you would prefer to pay by check, email inwed@ascehouston.org to request an invoice. Checks may be made payable to ASCE Houston Branch. Please note that the donation is for 2026 INWED! Checks can be mailed to:

ASCE Houston Branch

Attention: INWED 2026 Event

P.O. Box 420472

Houston, TX 77242

For Visionary Leader and Empowerment partner levels, please email an electronic logo in .jpeg or other image formats to inwed@ascehouston.org. Your company information will be featured on the event website and in other publications based on the sponsorship level selected. By providing this material, you acknowledge and consent to this usage.

The ASCE Houston Branch is a 501(c)(3) organization and your sponsorship may be tax-deductible. Please consult your tax professional for further information.

Thank you for your generous support! We look forward to partnering with you to make the 2026 International Women in Engineering Day event another success!

Best Regards,
