

Join Us in Shaping the Future of Water and Environment in Houston

The Environmental and Water Resources Institute (EWRI), a dynamic part of the American Society of Civil Engineers (ASCE), connects over 26,000 professionals across the U.S. committed to advancing water and environmental engineering. EWRI membership welcomes engineers, scientists, students, and organizations.

EWRI Houston is growing fast—uniting more than 500 professionals across the public, private, academic, and nonprofit sectors in the Houston-Galveston region. Our mission: to foster collaboration and innovation to address the region's critical environmental and water challenges.

Now in its **5th year**, the **EWRI Houston Annual Conference** is quickly becoming the leading gathering for water and environmental professionals in the region. In 2024, we hosted 200+ attendees, 25 government speakers, engaging panels, and a sold-out happy hour.

We're aiming even higher in 2025—and we need your support.

Why Sponsor?

Your sponsorship directly enables:

- A high-impact, high-visibility platform to showcase your brand
- Access to key decision-makers from local, regional, and federal agencies
- Premium networking opportunities with industry leaders and future talent
- Supporting subsidized tickets for students, nonprofits, and public sector professionals

Thanks to 31 generous sponsors in 2024, we delivered:

- Full-day programming with expert panels and government speakers
- Breakfast, lunch, snacks, and a hosted open-bar happy hour
- Branded swag, premium printed programs, and raffle giveaways
- Free speaker tickets and discounted access for students and agencies

Be Part of Houston's Fastest-Growing Water Resources Conference

We invite you to review the 2025 sponsorship options on the next pages. Help us make this year's event our most impactful yet—and align your organization with the region's leading voices in environmental and water resource innovation.

Thank you for supporting EWRI Houston. We look forward to partnering with you in 2025.

Why Support the EWRI Houston Annual Conference?

We invite speakers that are involved in key water and environment related decisions facing the Houston-Galveston region. We include 25+ speakers and panelists from government agencies. This provides your firm unique local branding and networking opportunities.

Our goal is to create conversations and build connections. The majority of our program includes panel discussions with three to five panelists. This creates an engaging, lively feel to the conference. We also include breakfast, 30 minute breaks, lunch, and a happy hour to ensure there is time to network with your colleagues and clients.

We want everyone to have a fun time and feel like they're getting value from the event. We select premier venues with a modern feel, high quality food and drink, and host a raffle during our open-bar happy hour. As a sponsor, you are recognized for your support in making such a unique, premium event happen year after year.
